

Do you want to shape teaching and learning in Kent County Public Schools?

As Kent County Public Schools (KCPS) begins to implement **the Blueprint for Maryland's Future**, we are seeking diverse representatives to help shape the future of teaching and learning in KCPS. We are seeking representatives to serve on the following committees:

Early Childhood Education

- Expand publicly funded full-day pre-K for all 4 year olds and low-income 3 year olds
- Increase number of high-quality early childhood education providers
- Expand supports for young children and their families
- Improve student readiness for kindergarten
- Ensure support for Maryland Infants and Toddlers Program

Highly Qualified and Diverse Teachers and Leaders

- Improve educator compensation and working conditions
- Institute new recruitment and professional development practices to create a more diverse educator workforce
- Establish a new career ladder to improve professional practice and student performance
- Implement more comprehensive in-service training and professional development

College and Career Readiness

- Provide students with resources necessary to achieve reading proficiency by the end of grade 3
- Develop an aligned instructional system with supports necessary to keep students on track to be college and career ready (CCR)
- Establish pathways for CCR and non-CCR students in grades 11 and 12

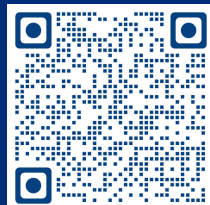

More Resources to Ensure All Students Are Successful

- Provide more support for English learners, low income, and special education students
- Support community schools and provide wrap-around services to schools with high concentrations of poverty
- Coordinate community supports to meet student behavioral health needs
