Intentions for Next Year

The KCPS 2019-2020 Intent Survey will be posted on the News this week.

Please take the survey to indicate your plans for next year and to make a transfer request. A transfer for this survey is a request to change your work site. A reassignment within the building is not considered a transfer and is the responsibility of the principal or supervisor. Please be aware that a transfer request is simply a request – your choice is not guaranteed. The final assignment will be made in the best interest of the school system.

Transfer requests can be made up until May 1 but providing this information early will help with planning for next year.

For questions, contact Ed Silver at 410-778-7135 or email him at esilver@kent.k12.md.us
