WELCOME TO SUMMER CAMP 2022!

The Shoremen Basketball Camp

Campers will have the opportunity to learn and improve their basketball skills through our Shoremen Basketball camp hosted by the Washington College Basketball Teams! This camp will focus on teaching everyone from beginners to pros the fundamentals of the sport, and will work with the campers to improve their skills, and also help build their sportsmanship.

Here at the Kent County Family YMCA we are so excited to kick off summer camp here at our new facility. We have so many fun and exciting things planned for this summer such as group games, daily art projects, swim time, nature walks, and so much more! Although our traditional camps are full, we do have spaces left in our specialty camps; The Shoremen Basketball Camp, Pickleball Camp, and our Cooking Camps!

Pickleball Camp

What is known as the fastest growing sport in America, Pickleball is a fun, social and friendly sport that combines the skills of Tennis, Badminton, and Ping Pong into a competitive game that will keep your campers moving! This camp will focus on teaching the rules, proper form and the fundamentals of the sport. We also hope that this camp will install a love for this fun sport.

COOKING CAMPS

Does your child have a sweet tooth? Have they explored their skills in the kitchen? Our specialty cooking camps are just what your child needs in order to master their skills in the kitchen and make some sweet treats that they can take home and share! Our new facility houses a fully functioning industrial kitchen that we would be silly to not take advantage of. Safety is always the priority! Not only will we teach the campers the fundamentals of baking and cooking, we will also be emphasizing the practice of safety in the kitchen!
